SINCE 1976

“

We take genuine interest in our clients, understand their objectives and our mission is to meet or exceed their expectations. We dedicate ourselves to these values.

”

OUR LAW FIRM

Our law firm was founded by Andreas Chr. Theophilou in 1976, at Limassol. Christiana Theophilou and Constantinos Theophilou, the founders' children, both active lawyers, continue the founders' legacy who still remains actively involved in THEOPHILOU SERVICES GROUP's activities, as a lawyer and consultant.

THEOPHILOU SERVICES GROUP provide a wide range of comprehensive, quick and high-quality legal and

corporate services to local and international clients. Our team speaks Greek, English and Russian.

We specialize in Litigation, Corporate and Fiduciary services, Shipping, Contracts and Real Estate related services as well as Citizenship and Residency acquisition programs, offered with loyalty, confidentiality, care and attention within a friendly and professional environment.

ADMIRALTY & MARITIME LAW

We have many years of experience of appearing before the Admiralty Courts in Cyprus. We deal with all aspects of admiralty litigation, including but not limited to proceedings with respect to obtaining orders for the arrest or release of vessels within Cypriot waters or for the forced sale for execution purposes.

Our firm is acknowledged as one of the top 5 law firms in Cyprus that offer expert legal advice for most range of legal services in the shipping industry. We

advise ship owners, shipping companies, charterers, ship brokers, cargo owners, banks, insurers and other corporate entities and individuals upon every type of admiralty matter, including employment-related claims, claims for loss or damage to cargo, claims for collision or salvage or on the basis of bills of lading or charter parties, freight disputes, enforcement of mortgages and in general a wide range of commercial shipping activities, including vessel registration under the Cyprus flag and related matters.

CONTRACTS

We are proud to say we specialize in contracts. We strongly believe that having the right contract in place may prevent unwanted disputes and lengthy and expensive legal proceedings. A good contract also encourages good performance and maintaining friendly relationships.

We draft all types of sale and purchase contracts,

multi-party agreements, partnership agreements, lease and/or rental agreements, assignment agreements and agreements relating to major property developments and/or constructions projects.

Above all, we believe the contracts we prepare are detailed to ensure and protect the interests of our clients.

FAMILY LAW

The Family Law department deals both with issues arising out of divorce and the breakdown of relationships as well as those concerning childcare. When marriages and other relationships break down, there are many issues that need to be resolved. Our approach is to be proactive in helping clients

through a difficult time. We have led the way in establishing pre-nuptial agreements as a sensible method of dealing with a couple's assets particularly in circumstances where the marriage is a second marriage. Our service includes representing clients in court.

ADMINISTRATIVE AND PUBLIC LAW

Our firm advises on civil actions involving governmental bodies and institutions, public inquiries and judicial review cases involving governmental institutions. Our lawyers appear

before the Administrative Court on behalf of our clients / applicants and respondents in judicial review actions.
